FRENCH COMMUNISTS SEEK ABANDONMENT OF NEUTRAL POLICY

Strong Pressure Being Brought to Force Government to Give Aid to Spanish Loyalist Cause—
Delay of Germany to Join Non-Intervention
Bloc Aids Arguments of the Reds

PARIS, Sept. 3 (AP).—Pressure from two sources was applied to the French Government today to force it from its neutrality stand toward Spain. Delay of Germany in replying to a proposal for the formation of a committee to control non-intervention measures, informed sources said, heightened the influence of Communists demanding French aid for the Spanish Government.

Without Germany, sources close to the Foreign Office said, a meeting of the powers co-ordinating committee would be "useless." Communists charged the delay was a Nazi manoeuvre to prevent the full effect of non-intervention by obstructing an accord while the Reich armed Spanish rebels and Franco "blockaded" the Government. Rightists countered with demands the Government halt "dangerous campaigns" of Communists to prove its sincerity in proposing the neutrality programme.

FEAR SPREAD OF WAR
The Government, meanwhile, kept its hands off the controversy and stood by its policy to insulate Europe against a spread of the Spanish war. Neutrality hopes were jolted further when the Spanish Embassy announced it had received word twenty-four Italian airplanes were delivered at Vigo, Spain, which is in rebel hands. While a fresh outbreak of occupation strikes spread, Maurice Thorez, Continued on Page 4, Column 6

GOVERNOR SEES CANADA'S NEED

Has Praise for Militia but Urges Implemented Policy of Defence

CALGARY, Sept. 3 (AP).—Canada, like Great Britain, must have a militia, not too large, but fully equipped and perfectly trained, said Baron Tweedsmuir, Governor-General of Canada, speaking to members of the Alberta Military Institute at a luncheon here today. "I take my hat off to the Canadian militia," said His Excellency. "Their patriotic spirit and efficiency gives me a feeling of greater security concerning this land of ours." The Governor-General declared no civilized country could afford to be without a defence policy. "No country today is safe from danger. No country can be isolated. Canada has to think out a policy of defence and take steps to implement it."

ASSERTS HEARST RUN OUT OF TOWN

Seattle Mayor Declares Owner of Post-Intelligencer Can't Come Back

SEATTLE, Sept. 3 (AP).—Mayor John P. Dore told an audience tonight William Randolph Hearst, absentee owner of the suspended Seattle Post-Intelligencer, had been "run out of town," and could not come back until he settled with the Seattle Newspaper Guild. Speaking in behalf of the guild, whose strike closed the newspaper August 14, Dore lashed out at Hearst, the Seattle Industrial Council, the Law and Order League and the Chamber of Commerce. "We've run Hearst out of the city and won't let him come back until he's settled with the guild," Dore declared. "The city of Seattle would become world-famous if it ran Hearst out of town permanently."

King Returning In Mid-Month

LONDON, Sept. 3 (AP).—His Majesty will return to England September 14 or 15, it was learned authoritatively today. After three or four days in London the King is likely to proceed to Balmoral in Scotland for a fortnight.

Valiantly Defend Irun Against Rebels

This photo was made at Irun, near the French frontier, shortly before an intensive battle for the town. The picture shows Government volunteers about to start for the fighting line. Some of the fiercest fighting of the civil war has been taking place at Irun, as rebel professional troops seek to capture the seaport town.

Lord Elbank Calls for Decision as to Future Status of Empire Units

Must Make Up Our Minds If We Are Staying in Commonwealth

MAKES NO DIRECT REPLY TO ATTACK
VANCOUVER, Sept. 3 (AP).—Viscount Elbank, president of the British Central Chamber of Commerce, today voiced an admonition to "make up our minds now whether we are going to stay in the British Empire or out of it." Speaking of the possibility of war involving Great Britain, Viscount Elbank said: "If London is vulnerable then, to a lesser degree other cities of the Empire are vulnerable. We have not to make up our minds whether we are going to stay in the Empire or out of it—there is no shirking that question. We must make up our minds now, once and for all if, to us, the Empire is worth having and worth saving."

Atlantic Flyers Safe and Unhurt In South Wales

Harry Richman and Dick Merrill Forced to Land Because of Failure of Radio Apparatus—Pass Night in Their Plane, With Plans for Further Flight Uncertain

LANGADOCK, Carmarthenshire, South Wales, Sept. 3.—Forced down by exhausted fuel supply after having flown the Atlantic, Harry Richman, the crooner, and his veteran pilot, soft-spoken Dick Merrill, tonight slept in their plane, Lady Peace, surrounded by curious cows in a remote Welsh field. When Richman first telephoned London's Croydon airport that he had made a safe forced landing, he said if they would get gasoline they would immediately take off for London, but tonight he and Merrill decided to wait until tomorrow.

HUMAN MISSILE MISSES MARK

Girl Shot From Cannon Falls Short and Suffers Serious Injury

TORONTO, Sept. 3 (AP).—Missfire of a cannon, used to throw a human projectile across a Canadian National Exhibition stage, brought serious injuries tonight to Jane "Bobby" Bernhardt, twenty-year-old Kansas City girl, who crashed to a hardwood floor before 35,000 horrified spectators. The cannon sent the young grand-niece of the late Sarah Bernhardt, famous French actress, wide of her mark. André Deval and Jean Selt, the two male partners scheduled to catch her flying body in their arms, rushed to her crumpled form. She was taken to a city hospital, suffering from a fractured leg, severe shock and possible internal injuries.

PRICE ON THEIR HEADS

YREKA, Cal., Sept. 3 (AP).—A \$10,000 reward was offered today by the Siskiyou County supervisors for the apprehension "dead or alive" of John H. and Coke T. Brice, suspected murderers of the cutter who was taken for a triple slaying.

Commander Oland Has Taken Charge Of H.M.C.S. Naden

COMMANDER J. E. W. Oland's appointment to command H.M.C.S. Naden (R.C.N. Barracks, Esquimalt) has been approved by the Minister of National Defence, according to word received from Ottawa yesterday. Commander Oland was formerly in command of H.M.C.S. Skeena, and had been on sick leave recently. The appointment to the Naden dates from September 1.

ITALY GIVES PROTECTION

Prompt Action Follows Report of Killing of Italian in Spain

ROME, Sept. 3 (AP).—The 10,000-ton cruiser Pola sailed tonight from Genoa to Barcelona "to give added protection to Italians there." The Pola was to join an Italian warship already at Barcelona. The Italian Government was aroused by reports earlier in the day that an Italian workman in Barcelona had been killed by Loyalist Catalan forces, and had indicated reinforcements might be sent to "protect" Italians in the Spanish city. A press ministry spokesman announced one Italian cruiser was already at Barcelona and other forces probably would be sent there. Other high circles, however, said the use of the word "probably" was but a diplomatic gesture, as they believed additional Italian forces already had been ordered to Barcelona.

TURKEY HONORS EMPIRE'S KING

Great Celebration Is Planned for His Majesty at Istanbul

ISTANBUL, Sept. 3 (AP).—An unprecedented reception was planned tonight for the entry into the city of King Edward, the first British king ever to visit Turkey. The city was decorated with hundreds of thousands of Turkish and British flags. Mosques and minarets were ornamented with myriad of electric light globes. Thousands of persons prepared to spend the night on the banks of the Bosphorus to await the arrival of the King on the yacht Nahlin in the morning. A three-day programme of festivities will be culminated Sunday with a regatta attended together by King Edward and Kemal Ataturk, dictator of Turkey. The celebration was the largest arranged so far for the King, who is travelling incognito as the Duke of Lancaster.

AGED WOMAN IS FATALLY HURT

Miss Jane Reid Passes in Hospital Following Traffic Accident

Miss Jane Reid, seventy years old, 3133 Irma Street, was fatally injured when struck by an automobile near the intersection of Burnside Road and Irma Street at 9:30 o'clock last night. She died in St. Joseph's Hospital shortly after 11 o'clock.

Freighter in Trouble

The steamer Horace K. Baxter, coastal freighter plying between Victoria and San Francisco, was reported in trouble in Puget Sound late last night, according to wireless information received here. The Baxter, the report said, had an engine defect and called for assistance. The U.S. Coast Guard cutter Rescuing took the freighter in tow for Port Townsend.

Atlanta Due Here Sunday From States

The United States Coast Guard cutter Atlanta, commanded by Lieut. John McDermid, is expected to tie up at Odessa Point Dock some time Sunday afternoon, according to word received by the Junior Chamber of Commerce. It is anticipated the vessel will be open to public inspection before she departs on Monday morning. Plans are being made for the vessel to be officially welcomed by Mayor David Leeming or Acting Mayor Percy R. Brown and a delegation from the Junior Chamber. Officers of the cutter will be taken for a drive around the city.

Desperate Resistance in Hand-to-Hand Fighting Delaying Fall of Irun Before Bitter Offensive Of Spanish Rebels—Behobia Streets Are Littered With Blood-Spattered Bodies

Loyalist Bombardment of Alcazar Fortress Unabated

BEHOBIE (on the Franco-Spanish frontier), Sept. 3 (CP-Havas).—In blood-drenched combat the rebel army besieging Irun fought its way step by step towards its objective tonight against the fiercest resistance of the Spanish civil war. Across open cornfields, on the slopes of hills, through highways and along the streets of Behobia, Spaniard fought Spaniard in the third day of the revolt's bitterest offensive.

Wolfe Not Killed by War Wound

TORONTO, Sept. 3 (AP).—James Wolfe, hero of the Plains of Abraham, died of tuberculosis rather than from battle wounds, Hon. Dr. J. A. Faulkner, Ontario Minister of Health, told a service club here today. Wolfe braved the rigors of war rather than the horrors of his mother's pet remedy against tuberculosis, a potion of green garden snails and earthworms, said Dr. Faulkner. Ontario spends more than \$3,000,000 annually in treating the disease, he said.

CERTAIN OF ITS DOOM

Loyalist-held Irun was certain of its own doom, and the nearby city of San Sebastian was reported preparing to evacuate its non-combatants, but the Loyalist militia fought on despite the facing fact. In isolated Behobia, merciless street fighting raged, with Loyalist snipers contesting every inch of the rebel advance. On the Behobia-Irun road the Loyalists gave way grimly against the other wing of the rebel drive. The thunder of artillery, the hammering of machine guns and intermittent fusillades of rifle fire echoed across the sector amid the cries of the dying and wounded, no estimate could be made of the number killed. In Behobia the streets were littered with blood-spattered bodies.

LAST VICTIMS ARE RECOVERED

Four Miners Found Together Killed by Shock of Gas Explosion

LOGAN, W. Va., Sept. 3 (AP).—From a little "room" piled high with jagged pieces of slate and lumps of coal came bodies of four men today, the last of ten who died as a gas explosion shattered part of the Macbeth mine. The last four were found together in the centre of the explosion area. They were killed by the shock of the blast. Six comatose dead from gas fumes which swept through the workings. One hundred and ten others in the operation of the Hutchinson Coal Company were rescued. The last four bodies taken out were those of Jack Adkins, fifty, married and five children; Gus Mounts, thirty-three, married and one child; Tom Miller, twenty-five, married; and Victor Corliss, twenty-five, single.

THREE POISONED BY ENSILAGE GAS

Mother Seeking to Rescue Her Daughter Among Victims Of Accident

POPLAR SPRINGS, Mo., Sept. 3 (AP).—A nine-year-old girl who fell into an old ice-house where green fodder was stored, was rescued today after an eighteen-year-old girl seeking to rescue her all died today of asphyxiation by ensilage gas. The dead are Anne Richards, nine; Mrs. Linda Richards, thirty; Mary Simpson, eighteen; and Victor Corliss, twenty-five, single. The child lost her balance and tumbled down among the ensilage while she was playing hide-and-seek with Billy Wood, a neighbor's son. Poisonous gas given off by the fermenting ensilage asphyxiated her. Billy ran to notify Mrs. Richards, who, with Miss Simpson, rushed to the ice-house and climbed down the ladder to where the child was lying unconscious. The fumes overcame both.

U.S. Constructing Emergency Balance Of Billion Dollars

Conditions Abroad Given as Reason for Decision
To Create Fund as Insurance Against "Any-
thing Unforeseen"—Borrow for Needs

WASHINGTON, Sept. 3 (AP).—Administration concern over conditions abroad was emphasized today by announcement from Secretary Morgenthau that the Treasury will keep a cash balance of \$1,000,000,000 as "insurance" against "anything unforeseen."

Because of "times and conditions" abroad, Morgenthau said, the Government will borrow \$400,000,000 this month rather than cut into the Treasury's big working balance for current expenses.

The announcement was something of a surprise to financial quarters in view of President Roosevelt's recent statement that the cash balance would be curtailed.

DESIRABLE THING. Morgenthau said it cost about \$2,000,000 a year in interest to keep such a balance, but that it was a "very desirable thing to do" because such a reserve "is the safest insurance we can carry for the American people should anything unforeseen occur."

The \$400,000,000 of new money will be borrowed, Morgenthau said, at the same time the Treasury finances a "maturing" \$314,000,000 note issue, September 15.

ROTARY IDEALS ARE REVIEWED

James H. Beatty Discusses
Principles of Movement at
Weekly Luncheon Here

Members of the Rotary Club, at their luncheon meeting yesterday in the Empress Hotel, were given a very lengthy programme of a most varied character. It had been the intention to have had a series of pictures depicting scenes from the recent international Rotary convention at Atlantic City, but the films failed to arrive here.

Charles S. Henley offered a short review of the plan which he had in view in connection with the scheme looking to the lowering of the liabilities of the city, and on which a mission to London and other financial centres was being planned.

ROTARY PRINCIPLES

With P. Malone, chairman of the programme committee, in charge, District Governor J. H. Beatty gave a talk on the principles of Rotary. The speaker pointed out that they were living in a very practical world, and that in the beginning the founders of Rotary had self-help in view. It was only natural, he said, that members should have confidence in the other members of the club, knowing the pre-eminence of ideals which they attained to.

Party politics and sectarian religion were taboo in the ranks of Rotary, but politics, which was for the better government of the country, and religion, had important parts in the daily life of the members of the club. The brotherhood of man and international peace, Mr. Beatty declared, were ideals sought after at all times by Rotary.

VIOLENCE MAKING

Justin Gilbert gave a very brief address on violence making, and related matters in connection with the instrument. Mr. Gilbert had to cut his address so short owing to the fact that such an interesting subject as his proved to be, should not be allowed to pass without the opportunity being afforded members to hear the speaker in detail on it.

The programme committee was authorized to set apart a meeting later when Mr. Gilbert could give his address in detail.

Douglas Flint, who concluded the programme with a series of pictures taken in the vicinity of Campbell River, showing the various classes of timber logged and the process of cutting, trimming, and hauling to the deep water for conveyance to the sawmills. Mr. Flint promised to give some further views if required at any time in connection with an educational collection of pictures he had.

GREAT SHAME

Lord Ellbank said it would be "an economic shame and great folly" if the "Red Route" to the Antipodes is ever broken. (The "Red Route" refers to the all-British route, British countries being colored red on the map.)

In the House of Lords and the Commons we have been impressing on our Government that everything should be done by subsidies or other means, to make possible the maintaining of this route in the face of present competition.

"I would urge, upon all of you, wherever your governments, whether they be in Canada, Great Britain, Australia or New Zealand—I speak not as a politician—the necessity of arranging to preserve for the British Empire this vital part of the All-Red Route."

KINSMEN RESUME THEIR MEETINGS

First Dinner Session of the Fall
And Winter Season Held
Last Night

Members of the Victoria Kinsmen Club held their first meeting of the Fall and Winter season in the grill room of the Empress Hotel last night and considerable routine business that had accumulated during the vacation period, was disposed of.

W. M. Hotham, representing the John Howard Society, was a guest at the dinner and gave a short address on the work of the society, as the same time appealing to the club for financial assistance in the way of a donation. He also asked that Kinsmen assist with the society's tag day to be held on September 12.

DELEGATES REPORTS

Five delegates, who attended the Kinsmen convention at Saskatoon last month, gave reports on the work of the party. They were Vernon Ridgway, Archie Smith, Donald McIntosh, Edward Sanders and Joseph McArthur.

There was a good attendance of members and Cecil Luckhart, president of the club, presided.

Australia's Teddy Bears Dying Out

SYDNEY, N.S.W. (BUP).—Australia's "Teddy bear," the prototype of the child's "Teddy bear," and now almost as much a symbol of the Commonwealth as the kangaroo, is rapidly dying out in the state of New South Wales.

It is estimated by Noel Burnet, an authority on the attractive little marsupial, that only about 100 of them survive in their wild state of Victoria. Burnet has a reserve near Sydney on which he is trying to preserve the species from complete extinction in Southern Australia.

Queensland is now the only Australian state in which extinction is not threatened, as there are believed to be over half a million of the animals there. Laws to prevent the trapping of the animals, of which nearly 600,000 skins were obtained in 1927—have now been passed.

COURT TO SETTLE
AMBIGUOUS WILL

Two Requests Left to Institutions
That Can Not Be Located
By Executors

LONDON, Ont., Sept. 3 (BUP).—Ambiguity in two \$1,500 bequests in the will of William Richardson Will, of West Lorne, will be cleared at weekly high court here Saturday when a judge will decide to whom the money should go.

Mr. Will, retired mining man, who died this summer in West Lorne, near here, left an estate of more than \$100,000. He made numerous bequests, among them one of \$1,500 to the consumptive sanatorium at Gangetville, B.C., and another to the Memorial Hospital at London. The residue of his estate he left to the Canadian Red Cross.

NOT KNOWN

Investigations showed there was no consumptive hospital at Gangetville, but British Columbia Government officials believe Will meant the Tranquille Sanatorium near Kamloops.

In this city no hospital is known definitely as the Memorial Hospital, but there is the War Memorial Children's Hospital and Beck Memorial endowment fund of Queen Alexandra Sanatorium.

Fascist Leaders Confer

For the first time since the start of the Spanish Civil War, the general of the Northern Rebel army, Emilio Mola (right), makes contact with General Francisco Franco, chief of the Southern Rebel army. The contact was made at Burgos—Northern Headquarters. This picture shows the two leaders on their way to attend Mass at the Burgos Cathedral. Left to right, General Francisco Franco and General Emilio Mola.

MOVIE STUDIO, SPORTS TO BE FAIR FEATURES

Loggers' Events Will Be
Held Thursday, Sept. 17,
At Exhibition

FILM EQUIPMENT AND
SETS TO BE ON VIEW

Two fair features to be added to the long list of attractions already arranged by the B.C. Agricultural Association for the Provincial Exhibition, to be held here during the week of September 12, are the loggers' sports and the exhibit of the Central Films, Ltd.

The loggers' sports are an innovation at the fair, this being the first time in years such events have been planned. Because of the tremendous interest being taken throughout British Columbia in loggers, officials felt that some recognition of this important provincial industry should be given, and accordingly the sports were listed. W. H. Mearns, secretary, explained yesterday.

TO DIRECT SPORTS

J. W. Auchinachie, Duncan, has been appointed in charge of the sports, to be held on Thursday, September 17, at 2 p.m., which include six contests for a total of \$174.50 in cash prizes. The classes are as follows: 1, men's open sawing; 2, flier of winning saw; 3, novice sawing; 4, men's open chopping; 5, novice chopping; and 6, ladies' sawing contest.

Novices have been determined as those who have not yet won a prize.

At the Industrial Building, headquarters of the Central Films, Ltd., a complete layout of a motion picture studio will be on display, with sets and equipment on hand for demonstration purposes.

SOUND-PROOF STUDIO

The manner in which effects are secured in filming, and properties which go to make up the background for the action in studio shots, will be on display in the building, which has been made sound-proof to keep out noises.

For the past two years the sets of Victoria-made movies proved a big attraction at the fair, but with the enlarged facilities and impressive sets at the larger studio, this year's display should surpass former exhibits.

Business Is
Booming in
Old Country

LONDON (BUP).—Britain's tourist trade is almost back to pre-depression levels.

The number of visitors from the Continent during the first half of this year was 1,475,569, compared with 1,478,803 in 1935, and 1,264,480 last year, according to the Travel and Industrial Development Association of Great Britain and Ireland.

The June figures show that holiday visitors from the United States increased by 4,000, compared with June last year. The total number of visitors during the month was 42,657, an increase of 5,121.

CRIMINALS NOW
REHEARSE CRIMES

LONDON (BUP).—English criminals are "rehearsing" their crimes, Scotland Yard has discovered.

It was revealed at the trial of five men accused of taking part in a conspiracy to effect the robbery of \$17,500 worth of gold bullion from a railway van near King's Cross, London, recently that the leaders of the gang and some of its henchmen actually "rehearsed" the crime before carrying it out with two automobiles and a cowler's barrow to block the road of the van conveying the gold.

HALT GAMES IN FACE OF FACTS

Possible Need of Reinforce-
ments in Palestine Upsets
War Office Plans

LONDON, Sept. 3 (AP).—Grim reality interlarded with war riddles tonight as the War Office, in the face of new Palestine disorders, cancelled manoeuvres of the First Army Division and recalled it to Aldershot.

The recall order was issued as reports reached here that a private of the Lincolnshire Regiment had been killed and four others wounded in a clash with Arabs.

The manoeuvres were to have begun in Sussex tomorrow. In cancelling them, the War Office said reinforcements might be required for Palestine at short notice.

Earlier reports said Flying Officer T. B. Hunter and his gunner, E. G. Lincoln, had been killed when their plane crashed near Anabta. They were supporting the ground forces against a band of Arabs.

Annual Canoe Race To Port Angeles to Be Held Labor Day

Junior Chamber of Commerce Again Sponsors Event Across Strait — Lieutenant-Governor Of Washington to Be Commodore of Contest

THREE teams have entered the annual canoe race from Victoria to Port Angeles, to be sponsored on Labor Day by the Junior Chamber of Commerce. Those in the gruelling contest will include Dick Alexander, Port Alberni, and Bud Wagner, Vancouver; Albany brothers, Victoria, and Edwin George and Jasper Charles, Sooke. Names of two other teams are expected to be announced before the end of the week.

At a special meeting of the Junior Chamber last evening, it was announced the United States Coast Guard cutter Atlanta, the coast guard patrol ship C.G. 271, and the R.C.M.P. motorship Adversus would escort the canoes across the Strait. Prizes include a valuable challenge shield and six silver cups.

EXPECT FAVORABLE TIDES
Leaving Victoria at 10:30 o'clock in the morning, contestants are expected to arrive off Ediz Hook, Port Angeles, about 3:30 o'clock in the afternoon, when the annual Salmon Derby ends. Favorable tides are expected to make the contest a straight race. Canoes this year will not be followed by individual escorts.

According to rules of the contest outlined by William O. Findlay, canoes must be not less than fifteen feet long and not less than thirty inches in beam. No coverings of any description may be used. Each craft must be equipped with adequate life-saving equipment, devices such as a lifebelt or inflated inner tube, and a signal flag. Competitors must be in possession of medical certificates, declaring them physically fit to participate in the race. They must follow the course set by the official vessels.

Breaking Ground for Fair Building

In shirt-sleeves, Governor Frank P. Merriam, of California, recently turned the first spadeful of earth on Yerba Buena Shoals, a "man-made" island in San Francisco Bay, marking the start of construction for the Golden Gate International Exposition. A pageant featuring ceremonies included a parade of nations, in which flags consumed in the garb of many countries of the world participated. Naval planes soared overhead, dropping earth from five continents on the island. Photo shows Governor Merriam turning over the first spadeful of earth, with flags from all nations circled round him.

B.C. MINISTER IS VICE-PRESIDENT
Hon. F. M. MacPherson and Arthur Dixon, Associated General Road Association Board.

CHARLOTTETOWN, Sept. 3 (C.P.)—Hon. A. S. MacMillan, Nova Scotia Minister of Highways, was elected president of the Canadian Good Roads Association at the concluding convention today at Shelburne, P.E.I., retiring president, was chosen honorary president.

The final meeting of the 1936 convention approved a resolution recommending establishment of an inter-provincial committee to study traffic regulations in all the provinces and seek uniformity in the interests of safety.

A motion expressing a plea that Provincial Governments make sufficient appropriations in their budgets for proper maintenance of roads, thus preserving the enormous capital invested by Canada in highways, also was approved by the convention.

Hon. F. M. MacPherson, British Columbia Minister of Public Works, was elected first vice-president, and Arthur Dixon, of Victoria, was elected to the list of directors.

ATLANTIC FLYERS IN SOUTH WALES
Continued from Page 1
1,000, gallions gave out and they picked out the little field near this sparsely-populated community.

Richman said tonight they landed at 3:30 p.m. British Summer time 6:30 a.m. P.M.T. making a total elapsed time of seventeen hours and fifty-three minutes for the flight.

The flight was projected as a round-trip, jaunt between London and New York, but when or whether the flyers would depart for Floyd Bennett Field was undecided.

NO ACCURATE TIMING
They flew in all about 3,300 miles. Without an accurate and official timing of their flight, it could not be established whether the flyers had beaten the ten-hour-and-fifty-minute record of Bennett Griffin and James Matern from Harbor Grace, Nfld. to the Irish coast four years ago. Griffin and Matern flew from Newfoundland to Berlin in eighteen hours and forty minutes.

After landing, Richman did all the talking for the pair, as Merrill veteran of air mail and transport flying modestly secluded himself in the cabin of the ship.

Said Richman: "The plane ran beautifully. We didn't see the Atlantic for more than an hour at a time. All the way we flew at about 11,000 feet."

CORNWALL, Ont., Sept. 4 (C.P.)—A settlement was reached early today in the strike which has paralyzed the giant rayon mill of Courtaulds Canada, Ltd. for more than three weeks, affecting 1,400 employees. Yesterday proposals of the mill executives were accepted by the strikers' committee.

LEADING MEN IN MINING TO COME WEST

Convention of Canadian Institute to Be in Vancouver. Next Month

FIVE TECHNICAL SESSIONS PLANNED

VANCOUVER, Sept. 3 (C.P.)—Hon. T. A. Cregar, Dominion Minister of Mines, will be among the distinguished visitors who will attend the annual meeting of the British Columbia Division of the Canadian Institute of Mining and Metallurgy here, October 7 to 10.

Another outstanding man in Canadian mining circles who has accepted an invitation from the institute, is Colonel George E. Cole, president of the C.I.M.M. and Manitoba director of mines.

The convention will be formally opened Wednesday morning, October 7, by Lieutenant-Governor E. W. Hamber.

FIVE SESSIONS
It has been arranged tentatively that there will be five technical sessions during the meeting which, it is expected, will be attended by mine operators and engineers from not only every district of the province, but from other parts of the Dominion and United States.

The social features will include two official luncheons and a golf tournament, October 9, with the division's annual dinner that evening. On Saturday, October 10, there will be an excursion to Britannia Beach, where the visitors, as guests of Britannia Mining & Smelting Company, will inspect the mill and mine workings.

PAPERS SUBMITTED
The list of papers to be submitted at the technical sessions includes two on silicosis (miners' consumption), by G. Chester Brown and Edward J. Bloom, of California.

In other papers, Hans Lundberg will describe achievements of geophysical prospecting; W. H. M. Lindsay and D. McLeod, of the Hedy Mascot mine, will describe operations there; gold deposit types in British Columbia will be referred to by Dr. H. V. Warren and M. H. Haycock will tell of microscopic uses in ore dressing tests.

W. R. McClelland, of the Mines Branch, Ottawa, will review recent investigations of British Columbia ores; alluvial deposits, investigated by D. Campbell Mackenzie; British Columbia tunneling, by E. J. Merrett; resources, by C. M. Campbell; Northwest Territory, by Fred Joffe; Alberta bituminous sands, by F. C. Ellis and A. A. Swinerton; also oil prospects of Alberta by G. S. Hume, are among other interesting papers.

Geology and mineral development in the Cariboo district will be described by W. A. Cockfield and A. H. Lang, of the Dominion Geological Survey.

LONDON LEADS IN DIGEST POLL
First Returns From Eastern States Shows Governor Ahead of President

NEW YORK, Sept. 3 (C.P.)—Governor, Alf Landon leads President Roosevelt by more than two to one in the first scattered returns from four Eastern states—New York, Pennsylvania, New Jersey and Maine—in The Literary Digest's Presidential election poll.

The combined vote, being published in The Literary Digest issue of September 5, shows 18,656 votes for Landon and 7,645 for Roosevelt.

The magazine states that none of the ballots came from New York City, Philadelphia or Pittsburgh, "where President Roosevelt's strength is claimed by so many observers to be greatest." It cautions that the returns are meagre and "only the first lot of hundreds of thousands to be received."

Out of 24,689 ballots, the votes for other candidates follow: Lemke (N.H.), 754; Thomas (Socialist), 109; Browder (Communist), 70; Colvin (Prohibition), 34; Aiken (Socialist-Labor), 11; others, 10.

FIND BODY OF MISSING MAN

Remains of Vancouver Accountant Discovered in Point Grey District

VANCOUVER, Sept. 3 (C.P.)—The badly decomposed body of Bernard Hayes, fifty-two-year-old Vancouver accountant, missing since August 21, was found tonight in a clump of bushes in the West Point Grey district near where he was last seen.

The body, discovered by a pedestrian, was so badly decomposed police said they were unable to ascertain the cause of death. An autopsy will probably be held.

Hayes was missed from his home August 21, but was seen August 26 by a "B" driver. The bus driver, who recognized Hayes from a photograph, said his attention was drawn to the man by the latter's unshaven head and apparently dazed condition as he alighted from the bus in the West Point Grey District.

HAS PROJECT FOR OCEAN AIR ROUTE
Floating Islands in Mid-Ocean Would Be Used as Refueling Stations

LONDON, Sept. 3 (C.P.—Havas)—A twelve-hour trans-Atlantic airplane service from Londonderry, Northern Ireland, to New York via Canada could be established in eighteen months at a cost of \$1,500,000 (\$750,000) M. E. Helsner, representative of the British Dominions Constructional Industries Co., which plans the service, announced here today.

Helsner said two floating islands in the mid-Atlantic for use as refueling stations would be constructed. Six planes each carrying fifty passengers and a crew of seven would operate over the North Atlantic route.

Helsner conferred with a representative of the Northern Ireland Ministry of Commerce to enlist the project.

Mysterious Dust of Milky Way Puzzling Even to Astronomer

Only One of New Wonders of Universe Announced At Session of American Astronomical Society—Red Stars Are Among the Discoveries

CAMBRIDGE, Mass., Sept. 3 (AP).—A mysterious new dust, unlike anything known on earth, discovered floating between the stars in the Milky Way, was reported at the Harvard Tercentenary today.

The unknown stuff was one of a series of "new wonders of the sky" announced at a session of the American Astronomical Society in connection with Harvard's celebration of its founding.

NEW DEATH-RAYS
The stars were weighed; some of the stuff in their depths discovered "death-rays" of ultra-violet far more excessive than heretofore suspected were declared to exist just above stratosphere flight height records.

Dust particles were measured in the far-off Milky Way and found to be just big enough to be seen under a microscope if brought to earth. The discovery of red stars was reported, amazingly cooler than any star previously known, their surface heats ranging between 1,800 and 1,300 Fahrenheit.

VISIBLE IN PATCHES
The mystery dust was reported by Paul W. Merrill and O. C. Wilson, of Mount Wilson Observatory. It is part of the dust in the Milky Way which is visible to the naked eye as the dark patches.

The regions where it floats lie between stars and are supposed to be intensely cold. The dust there has been believed previously the same as the dust and gases on earth. Dr. Merrill, examining these patches with the spectroscopic, found some of the particles absorb light in a way wholly new to scientists.

NO EXPLANATION
"I am completely unable to give any explanation of the cause," he told the astronomers today. The dust reveals itself as new stellar lines in the spectrum, the most important ones being 6,284 and 5,780 Angstrom unit wave lengths.

Astronomers are reluctant, it was announced by the society, to believe this dust is some chemical element unknown on earth. Rather, they think the dust is some familiar stuff, but in a peculiar physical state unknown and probably not existing on earth.

BEE TRESPASS REAL DILEMMA

B.C. Department of Agriculture Studies Ways and Means to Curb Insects

No easy solution for trespassing bees occurred to the British Columbia Department of Agriculture yesterday, as experts seriously pondered substantial complaints of a mainland farmer who protested to the department earlier in the week that his wife had been stung and his life made miserable by a colony of bees next door.

Unlike the roaming-hog incident, where the department was quickly able to suggest the capture of the hog and administration of a harmless sedative, so that the animal might become tractable, the stinging bee case yielded to no immediate remedy.

CONSIDER ISSUE

A provincial apiary inspector was tentatively instructed to visit the orchard of the complainant and the adjoining colony of hives next door, but the order was countermanded in favor of still further thought.

The Department of Agriculture administers twenty-five different and special statutes, but has nothing directly applicable to the question of trespass by bees, it appeared. It was doubted, in any event, if the bees would be really amenable to legislation.

In the absence of some senior officials of the department, the whole matter was laid over for further consideration.

CALIFORNIANS ON EXCURSION

Coast Liner Bringing Party Here on Tuesday From San Francisco

Visiting here during the week, H. B. Brittan, passenger traffic manager of Pacific Steamship Lines, San Francisco, told of a most unusual excursion which the company will sponsor in connection with the Labor Day and Admission Day holidays.

The excursionists will sail from San Francisco on the S. S. H. F. Alexander at 4 p.m. tomorrow, and will arrive in Seattle at 8 a.m. Monday, Labor Day, Mr. Brittan stated. They will be given an opportunity to tour Seattle, visiting the many points of interest in the Puget Sound city.

Spending Monday night aboard the H. F. Alexander, the excursionists will be transferred to the Seattle, Victoria ferry Tuesday morning for a cruise to Victoria. They will arrive here shortly before 1 p.m., making the Empress Hotel their headquarters, from which they will visit various points of interest. After dinner at the hotel, the tourists will board the H. F. Alexander on the return trip, sailing from Victoria at 10 p.m.

"The San Francisco people will spend a full day and night in Seattle and an afternoon and evening in Victoria, and arrive back in San Francisco Thursday morning after a 1,600-mile sea voyage, with very little time away from business, because of the national Labor Day holiday and Admission Day in California," said Mr. Brittan.

Bullfighters May Strike in Mexico

MEXICO CITY, Sept. 3 (AP).—The Spanish civil war was held responsible today for some observers for a projected strike of Mexican bullfighters.

The conflict in Spain, they declared, has sent Mexican performers home, flooded local arenas and created an oversupply of talent. In addition, these observers declared Mexican fighters have learned little time away from business, because of the national Labor Day holiday and Admission Day in California, said Mr. Brittan.

All Baba means not being there when the crime was committed.

Little Stories for Bedtime

Jimmy and Unc' Billy Tell Different Stories

By THORNTON W. BURGESS

The little people of the Green Meadows and the Green Forest didn't know what to believe. First came Peter Rabbit with the strangest kind of a story about being chased by a terrible creature without legs, head, or tail. He said that it had come down the hill where Prickly Porky the Porcupine lives in the Green Forest. Jimmy skunk, who, you know, is not afraid of anybody or anything, had been sent to call on Prickly Porky and ask him if he had seen any strange creature such as Peter Rabbit had told about. He had said that he hadn't seen any stranger in that part of the Green Forest, and Jimmy had straightway returned to the Green Meadows and told all his friends there that Peter Rabbit must have had something the matter with his eyes, or else was crazy, for Prickly Porky hadn't been away from home and yet had seen nothing unusual.

At the same time Unc' Billy Possum was going about in the Green Forest telling everybody he met that he had called on Prickly Porky and that Prickly Porky had told him that Peter Rabbit undoubtedly had seen something strange. Of course Jimmy Skunk's story soon spread through the Green Forest and Unc' Billy Possum's story soon spread over the Green Meadows, and so nobody knew what to believe or think. If Jimmy Skunk was right, why Peter Rabbit's story wasn't to be believed at all. If Unc' Billy was right, why Peter's story wasn't as crazy as it sounded.

Of course all this aroused a great deal of talk and curiosity, and those who had the most courage began to make visits to the hill where Prickly Porky lives to see if they could see for themselves anything out of the usual. But they always found that part of the Green Forest just as usual, and always, if they saw Prickly Porky at all, he seemed to be fast asleep, and no one liked to wake him to ask questions. Little by little they began to think that Jimmy Skunk was right and Peter Rabbit's terrible creature existed only in Peter's imagination. About this time Unc' Billy Possum told of having just such an experience as Peter had. It happened just as it did with Peter, very early in the morning, just as he was passing the foot of the hill where Prickly Porky lives.

"Ah was just passing along mind-

ing mah own business, when Ah heard a noise up on the hill behind me," said Unc' Billy, "and when Ah looked up there was something coming straight down at me and Ah couldn't see any legs or head or tail."

"What did you do, Unc' Billy?" asked Bobby Coon.

"What did I do? Ah did just what a little fellow would have done," replied Unc' Billy, looking around the little circle of forest and meadow people listening with round eyes and open mouths.

"Yes, Ah did run, and Ah didn't turn round until Ah was safe in mah holler tree."

"Pooh!" sneered Reddy Fox, who had been listening. "You're a coward. I wouldn't have run. I would have waited and found out what it was. You and Peter Rabbit would run away from your own shadows."

"You don't dare go there yourself at daybreak tomorrow," retorted Unc' Billy.

"I do, too!" declared Reddy angrily, though he didn't have the least intention of going.

"All right. Ah'm going to be up in a tree where Ah can watch tomorrow morning and see if you're as brave as you talk," declared Unc' Billy.

Then Reddy knew that he would have to go or else be called a coward.

"I'll be there," he snarled sharply, as he slunk away.

ONE KILLED IN TRAFFIC CRASH

Another Man Badly Injured Near Trail When Motorcycles Meet

Charles Gibbs, of Roseland, lies dead, and Thomas J. Hobson, of Trail, is in hospital gravely injured, as the result of a motorcycle collision on the Roseland-Trail Highway at an early hour yesterday morning, according to advices received at headquarters of the Provincial Police.

The collision between the men, each of whom was returning home on a motorcycle, took place shortly after midnight. Mr. Gibbs, seriously injured, died at 5:45 a.m. yesterday, while Mr. Hobson was removed to the nearest hospital suffering from fractures in one arm and one leg.

The cause of the accident was not immediately apparent, and few details were received here by wire from the interior. An investigation has been commenced.

CLAIM TO TITLE IS ALL RUBBISH

EDMONTON, Sept. 3 (AP).—The claim of James Smith, twenty-seven, to the Dukedom of Richmond and Gordon was somewhat dashed today by Sir Neville Wilkinson, K.C., Ulster King of Arms and Principal Herald of All Ireland.

Sir Neville, registrar and knight attendant of the illustrious order of Saint Patrick, is at present a visitor here.

"It's all rubbish," he said with regard to the claim advanced by Smith, an Alberta farm hand living at the present at Eskine, Alta., that he could prove he was the Duke of Richmond and Gordon.

"I know the Duke very well," he said.

People of England Need Reminding of Recent Depression

R. P. Croom-Johnson, K.C., M.P., Who Conducted Prosecution in Francis M. Rattenbury Murder Trial, Tells of Wonderful Recovery

So well has England recovered economically that the people need to be reminded of the depression's hardships and the lessons it taught, according to Reginald Powell Croom-Johnson, K.C., Member of Parliament for Bridgwater division of Somerset, who is visiting at the Oakbay Beach Hotel with his son, David.

Mr. Croom-Johnson is well-known in Victoria and throughout British Columbia, visiting here in August, 1934. Considerable attention was focused on him when he conducted prosecution for the crown in the Francis M. Rattenbury murder trial in London.

When asked about the trial and whether it had any bearing on his presence here, the visitor answered: "No, that's all over now." Mr. Croom-Johnson explained he was showing his son the United States, British Columbia, the Rockies and Western Canada. Mr. Croom-Johnson, as he surveyed the Islands of the Straits from the veranda of the hotel yesterday, declared British Columbia was "one of the most wonderful countries in the world." His son, too, is finding much here to interest and please him.

POLITICAL APATHY
There has been no marked political "turnover" in the Old Country, Mr. Croom-Johnson said, in answer to the questions, but there was a "great deal of political apathy, partly as a result of the failure of sanctions against Italy."

Both father and son agreed the finances of the country had been well handled by Sir Neville Chamberlain, and this had restored business confidence.

"He is the one man generally commended by the masses to be a complete success all the way through," Mr. Croom-Johnson asserted.

The entire country is now looking forward to the Coronation, the visitors explained. They mentioned the enthusiasm with which the English people welcomed members of the Vimy pilgrimage.

RUSSIA RECEIVES NEW RECOGNITION

Dr. Frank R. Scott, of McGill University Says Country Seen As Stabilizing Factor

"Soviet Russia is a stabilizing factor in the Far East, where there is no longer any system of regional security, and where even Britain is no longer able to preserve peace. There is no balance of other powers there now to put the brakes on Japan, except Russia."

Such were, in part, the conclusions of Institute of Pacific Relations sessions held recently at Yosemite, according to Dr. Frank R. Scott, professor of international law at McGill University, who was in Victoria yesterday.

Dr. Scott thought the Soviet would not seek war in Japan "just to save Chinese territorial integrity, that is, so long as Japan does not encroach on Soviet rights." He said neither country stood to gain by conflict, but would suffer greatly.

The visitor explained Russia had resources in the Far East and Siberia, and had been forcing industrial expansion there. The result had been an increasing military as well as industrial strength. There had been the boundary disputes between Russia and Japan over Manchukuo and Outer Mongolia, but indications at Yonemite were, Dr. Scott said, that this and other disputes could be settled satisfactorily without war.

Uptrend in World Trade Recorded

GENEVA, Sept. 3 (AP).—An uptrend in world trade in 1935, the first in any year since 1929, was reported today by the League of Nations' year. Trade had risen 43 per cent, higher than in 1934. The report added leading exporters Great Britain, United States, Germany and Japan.

Police Find No Trace of Assailant of California Woman

LA JOLLA, Cal., Sept. 3 (AP).—The Ruth Moffitt investigation hit another snag tonight, when police learned tests disclosed that hair found clutched in the woman's hand was from her own head.

Detective Captain Harry Kelly said Prof. C. D. Lauderbach of Pomona, research chemist, had advised that scientific examination showed the strands of hair came from Mrs. Moffitt's head and not from her assailant.

MYSTERIOUS CASE
The development removed another possible clue in identifying the killer and left the case as mysterious as when the Riverside, Cal., Y.W.C.A. secretary's body was found Tuesday morning on the beachfront.

In Los Angeles police took into custody a man dressed in women's clothes. Overland police quizzed another man, and San Diego police continued to search suburban La Jolla for information into the killing.

Fritz (to his mother as she puts up this luncheon for school) — Say, mother, put in lots of that cheese like you gave me yesterday. It's great.

Mother—I'm sorry, dear, but it's all gone.

Fritz—That's a shame. Teacher said that if I came back another day with any more cheese like that she'd have to let the whole school out.

A youth secured a post in the tax office of a provincial town and, with the enthusiasm of the beginner, proceeded to make things move.

A farmer turned up at the office one day and pointed out that he had been wrongly charged four dollars for keeping a goat. The clerk insisted that no mistake had been made.

"Look here!" he said. "It's in the rules. Read them for yourself!" The farmer did so, and found the following clause:

"For all property bounding and abutting on the highway, \$1.00 per foot."

GOVERNOR OPENS CIVIC PLAYHOUSE

CALGARY, Sept. 3.—Baron Tweedsmuir, Governor-General of Canada, tonight aided members of the Calgary Theatrical Guild in the realization of a decade-old ambition.

He formally declared open the guild's new Civic Playhouse.

In the modern amateur theatre, His Excellency, with Lady Tweedsmuir and the viceregal party, witnessed Mordant Shairp's comedy-drama "Crime at Bloomsbury," a command performance by the Governor-General.

MET PLAYERS
After the performance, the Governor-General and Lady Tweedsmuir went backstage and met and congratulated members and directors of the club.

The theatre visit followed a busy day of civic functions, including a formal reception at the Esplanade Armories, where an address of welcome was read by Mayor Andrew Davidson and a formal rally, attended by hundreds of Boy Scouts and Girl Guide troops.

STRIKE THREAT IN WELSH MINE

Dispute Over Joining Union May Cause Stoppage Throughout Field

REDWAS, Wales, Sept. 3.—The South Wales coalfield today faced a strike of 130,000 miners on Monday in consequence of a dispute between owners of the Redwas Colliery and the South Wales Miners' Federation.

The company has made it a condition of employment that its employees join a non-political organization known as the Miners' Industrial Union. The powerful federation demanded the men be allowed to join whichever union they wished.

The colliery employs some 1,600 men, of whom it is said, at least 1,000 want to join the Miners' Federation.

An offer to withdraw strike notices if the Redwas Company would allow a secret ballot to decide which union the employees preferred, was declined by the company.

Unless an emergency settlement is reached, work will cease throughout the coalfields on Monday.

Jockeys Released For St. Leger at Doncaster Track

DONCASTER, England, Sept. 3.—Jockeys were announced today for fifteen of the seventeen final acceptors for the St. Leger Stakes, to be run at Doncaster on September 9.

Extinguish Fire—Quick action of firemen prevented extensive damage in Lemon-Goldman Company Ltd. lumber yard at Rock Bay Avenue and Bay Street, yesterday, when fire broke out in a pile of cordwood.

Will Go East—Dr. W. J. Sippell will leave Victoria next week on a two months' trip to Eastern Canada and the Maritimes. He will attend the General Council of the United Church of Canada, to be held in Ottawa, beginning on September 19.

New Teachers—The School Board will appoint six new teachers to fill vacancies on the staff of evening technical classes, which commence October 5. Appointments are to be announced for elementary and advanced bookkeeping, type-writing, penmanship, salesmanship and machine shop practice.

Many Watches Taken—Valued at approximately \$150, seventeen watches were stolen from the premises of J. A. Dewar, watchmaker, 1208 Douglas Street, early yesterday morning by thieves who used a pass key to gain entry, according to a police report.

Prepares for Tour—Rev. Dr. W. J. Sippell is spending a few days in Vancouver arranging with Thomas Cook & Sons for his third Oriental tour, which will start from Victoria on July 10, 1937. Dr. Sippell has reserved accommodation on the S. S. Empress of Japan for a party of thirty.

Civic Holiday—Wednesday, September 3, will be a civic holiday in Sanich in order that residents may be able to attend the North and South Sanich Fair. The council last night agreed to declare the half-holiday and stated the Municipal Hall will be closed that afternoon.

Given Appointment—Murray D. Bryce, Royal Oak, was appointed to the Sanich municipal staff as junior clerk for six months' probationary period. The municipal council decided last night. He was selected out of fifty applicants. Applicants over twenty years of age were not considered.

Winter Hours—Winter hours of 9 o'clock in the morning until 5 o'clock in the evening will be observed at the City Hall, commencing September 14. The hall at present is open from 8:30 o'clock to 4:30 o'clock daily except Saturdays.

In order to receive registration for the voters' list, the city clerk's office is being kept open until 9 o'clock daily.

Mussolini on the Farm

One of Mussolini's proudest boasts is that he ordered the draining of the Pontine Marshes, south of Rome, which added many square miles of arable land to the Empire. For three years in succession he has thrashed wheat on a farm in that region, near Littorio. Covered with dust and perspiration, he is photographed as he threshes the wheat. After an hour's work well done, he pocketed the equivalent of 25 cents.

Social Activities and Notes of Personal Interest

Host of Friends Attend Lidstone-Linford Wedding

Late summer flowers were effectively arranged in St. Alban's Church last night for the wedding of Olive Rachel ("Lindy"), youngest daughter of Mr. and Mrs. W. Linford, Raymond, Sask., and Mr. Douglas Muford Lidstone, fifth son of the late Mr. and Mrs. T. J. Lidstone, Victoria, which took place at 8:30 o'clock.

Rev. F. W. Weaver officiated at the service in the presence of a large number of friends of the young couple, and Mrs. Swan presided at the organ.

PRETTY BRIDE

Given in marriage by her brother-in-law, Mr. Edgar Rice, the bride looked very pretty in her wedding gown of forget-me-not blue lace, with a form-fitting bodice, and a shoulder cape fashioned with two flounces of matching net. The skirt was also finished with net, which flared below the knees to the floor, and the waist was encircled with a narrow band of lace fastened in front with a brilliant buckle. Her hat of matching blue mohair was trimmed at the back with a deep bandeau and pastel shaded flowers, and she also wore blue crepe slippers and carried an arm bouquet of pink and white roses and carnations.

Miss Irene Phoenix was the only bridesmaid, in a charming frock of pale pink lace, flared below the knees, worn with a short jacket with a peplum and puff sleeves. Her hat of pink lace had a mohair trim and was trimmed in front with a cluster of flowers. She carried a sheaf of peach gladioli and blue scabious. The best man was Mr. Gilbert Brown, and Mr. James Leale and Mr. Robert Lidstone were ushers.

RECEPTION HELD

A reception was held after the service at the home of Mr. and Mrs. W. Leale, Bay Street, where the decorations were carried out in pink and blue. The bride and groom stood beneath a floral archway to receive the greetings of the guests and later supper was served from a table arranged with vases of carnations and sweet peas, and centred with the wedding cake, which stood in a bower of streamers extending from the chandelier to each corner of the table.

GABLE STARS IN POPULAR PICTURE

"San Francisco." With Clark Gable, Jeanette MacDonald, Spencer Tracy, at Capitol.

Clark Gable's newest picture role is in a romantic musical drama of early San Francisco, in which he is co-starred with Jeanette MacDonald and Spencer Tracy.

Gable's vigorous roles in "China Seas" and "Mutiny on the Bounty," and Miss MacDonald's outstanding success in "Naughty Marietta" and "Rose Marie" served as the inspiration to bring the two notable stars together for the first time.

In the new picture, Metro-Goldwyn-Mayer's "San Francisco," opening today at the Capitol Theatre, Gable portrays a big-time gambler of the Golden Gate city at the height of its most glamorous period, in the beginning of the twentieth century.

The part is in tune with the type that Gable likes best, such as "Men in White" and "It Happened One Night"—and which did more to elevate him to the top ranks of stardom more than any other characterization.

Miss MacDonald is a small-town minister's daughter, who seeks adventure in San Francisco, rises to fame in the music halls and, later, in the legitimate theatre.

MUSICAL COMEDY NOW AT DOMINION

Bing Crosby and Frances Farmer Co-Starring in Fast Moving "Rhythm on the Range"

The thrills and fun of Madison Square Garden rodeo; the atmosphere of the Old West brought up to date; fast-stepping comedy by a cast of screen and radio experts, and melody ranging from cowboy songs to swing music go into Paramount's "Rhythm on the Range," hit musical which opens today at the Dominion Theatre.

Bing Crosby and Bob Burns are cowboys in New York, participating in a rodeo in Madison Square Garden. Frances Farmer is a society girl who is about to marry a man she doesn't love. These are the main characters.

Crosby wins a number of events in the rodeo, buys a blue-ribbon bull with his winnings, then starts back to Arizona in a box car with the animal. Miss Farmer, on impulse, runs away from her marriage and stows away aboard the same box car, hoping to reach the rodeo, operated by her aunt, Lucille Webster Gleason, who is Crosby's employer.

Crosby, Miss Farmer and the bull are thus launched on a transcontinental pilgrimage which leads them to Arizona by train, foot, and auto trailer. Somewhere on the way they discover they aren't serious about the emphy they are showing for each other.

Highland Games Here Tomorrow

The great clans of Scotland have gathered yearly for hundreds of years to meet in friendly rivalry at their Highland games.

Scotland's sons from all parts of Canada and throughout the Pacific Slope are preparing to gather at Victoria's Show Boat tomorrow, and the Inner Harbor will resound to the kirl of the pipes, the clashing of Highland swords and the tapping of Highland heels from 10 a.m. to 10 p.m.

Victoria's second annual Highland gathering has drawn entries in piping, dancing and other diversions dear to the Scottish heart from Winnipeg, Calgary, Vancouver, Seattle, all parts of the Western United States and Canada, while Island competitors are coming from Cour-

tenary, Cumberland, Nanaimo, Duncan, Shawnigan, Union Bay and other island points.

The gathering is being held under the auspices of the Tourist Trade Association.

Musical Film Is Again Held Over

Owing to the big crowds which have been attending the Atlas Theatre, the management has again decided to hold over "Naughty Marietta," starring Jeanette MacDonald, supported by Nelson Eddy, another outstanding singer of the screen. Also held over on this programme is "The Thin Man," the sparkling story which stars William Powell and Myrna Loy.

COLUMBIA "Bad Boy," the Fox Theatre picture featuring James Dunn and Dorothy Wilson and written by Vera Delmar, author of "Bad Girl," is now at the Columbia Theatre. In the supporting cast are Louise Fazenda, John Wray, Beulah Bondi, Victor Kilian, Luis Alberni and Allen Vincent. Edward Butler was the producer, and John Blystone directed.

PLAZA The sea, man's last unknown frontier, is once more the background for the vital beauty of Jean Harlow. With Spencer Tracy as her leading man, she appears in Metro-Goldwyn-Mayer's "Riffraff," now at the Plaza Theatre. It is a story of the primitive emotions of men and women who go down to the sea in ships, wrestling an existence from the constant struggle with the deep.

OAK BAY Adapted from "The Theatre" smashing stage hit of London and New York, "The Dark Angel," playing today and tomorrow at the Oak Bay Theatre, with Saturday matinee, deals with the rollicking pre-war days in rural England with fox hunting and merry house parties. Then comes the war and the two boys, played by Frederic March and Herbert Marshall, are off to France. A great emotional climax is reached as Kitty Vane is about to marry the one whom she thinks is the only survivor of her childhood friends. At the eleventh hour, fate steps in and the dream of her life is fulfilled in gloriously happy ending.

Pierrots to Be Show Boat Stars

Tonight's Show Boat entertainment is to be provided by the Royal English Show Boat Pierrots, under the leadership of Comedian Ernie Impett.

Highlights in the evening's show are said to be Miss Sheila Conway as a guest star, an Oriental dance scene by Betty, "The Dance of the Paper Dolls" by the baby sextette, a farcical sketch "The Haunted House" by Ernie, Teddy and Alf, and a comedy interlude straight from the London stage, by Alf.

The performance will start at 8 promptly and finish at 9:45 p.m.

Five Northwest Hockey Players With Canadians

MONTREAL, Sept. 3 (AP).—Five players of the Northwestern Hockey League will be with Montreal Canadiens when training for the next National Hockey League campaign starts, it was announced today by Ernest Savard, president of the Flying Frenchmen.

An offer has been made to purchase Clint Smith, of the Vancouver club, who led the Northwestern loop in scoring for the past two seasons, while John Roche, president of the Edmonton club, agreed to let four members of his team try out with Canadiens.

Napoleon Carriere, 185-pound right defenceman, heads the four Edmonton players, all coming on an option agreement. The three others are Louis Holmes, centre; Murray Rimalud, right wing; and Les Whittles, who also shoots right-handed.

Chronic indigestion may be due to the simplest of causes, we are told. We heard of one man who was a martyr to dyspepsia for years and all because of a misprint in his wife's cookery book.

LABOR DAY GOLF

A mixed foursome tournament will be held at the Uplands Golf Club on Labor Day. Competitors will select their partners, arrange for starting times. Post-entries will be accepted at the clubhouse.

CHUCK CHAPMAN RETURNS HOME

Basketball Star Arrives in City From Olympics—Team Lacked Height

Chuck Chapman, sandy-haired captain and guard of the Victoria Dominions, and a member of the Canadian basketball squad which placed second to the United States at the Berlin Olympics, returned to the city yesterday. "It was a great trip and a grand experience, but I am glad to be back home," were Chapman's first words when interviewed yesterday.

Brother Art will not be back home until the end of the week. The Chapman boys left Montreal in company with Murray Patrick and Dick Surplis by automobile. Patrick, however, suffered motor trouble, so Chuck continued on to Seattle by bus.

LACKED HEIGHT

Regarding the final game against the Americans, Chapman said the Canadian team, composed of Windsor players, Art and Chuck Chapman, and Doug Peden, of Victoria, and Tony Osborne, of Vancouver, were unable to match their opponents in height. This disadvantage was shown as the game was played in a heavy downpour and the United States team adopted a passing game that could not be equaled by the smaller Canadians, who needed a fast dry court for their snappy passing attack.

The European teams, although they did not play nearly as scientific basketball as the Americans and Canadians, were in wonderful condition and roughed matters up considerably, Chuck stated.

"If it had not been for Doug Peden, Canada would never have won of home commands."

Varied Scenes of Interest Showing At the Dominion

THE Colonist-Universal Newsreel, now showing at the Dominion Theatre, brings grim scenes of havoc and disaster to the screen as the British coal mine tragedy, where fifty-seven lives were snuffed out in a terrible explosion, is filmed. The American army mechanized units roared across open country in the recent war games staged at Lake Silvik, Michigan, showing the latest in armament for defence and attack. From London, England, British troops are seen, back once more in the glory of full dress regalia.

reached the final. Chapman said in praise of the local guard. "In the game against Latvia, we were nine points down with nine minutes to go when Peden entered the game. He spark-plugged the squad on a twenty-point scoring spree and we won by eleven points."

Chuck played in four of the seven games. His brother Art was in all seven and played the entire forty minutes each time. Peden saw action in four and a half games.

CHINESE GOOSE CAN HANDLE THE OTHERS

LONDON, Ont., Sept. 3 (AP).—These Chinese geese are clever. Keepers at London's Springbank Zoo report they have a Chinese goose that keeps all other birds "in order" and when the Canada geese disappeared a few days ago the Chinese goose was sent out to bring them back. It did, driving them home to the pen.

Hubbell Bests Dean in Pitching Duel and Giants Win 2-1—Cubs Go Under

Screwball Expert Turns In Eleventh Straight Decision

Bill Terry's Star Left-Hander Allows Cardinals Four Hits in Thrilling Mound Battle With Elder Dean — Dodgers Down Chicago, 1-0 — Yankees Defeat Indians—Tigers Lose

NATIONAL LEAGUE

ST. LOUIS, Sept. 3 (AP).—The New York Giants wound up their most successful Western invasion in years today with a 2-1 victory over the Cardinals in a pitching duel between Carl Hubbell and Dean Cain. Hubbell, the screwball expert, turned in his eleventh straight decision, allowing only one run, two hits and one error in nine innings. Cain, the Cardinals' ace, pitched a brilliant game, allowing only one run, two hits and one error in nine innings. The Giants' offense was led by Bill Terry, who hit a home run in the seventh inning. The Cardinals' offense was led by Stan Musial, who hit a home run in the eighth inning. The game was a pitchers' duel, with Hubbell and Cain both pitching well into the ninth inning. Hubbell won the game, his eleventh straight decision.

COAST LEAGUE

SEATTLE, Sept. 3 (AP).—Lou Koupal pitched his twenty-third victory of the season tonight, while the slugging of his Seattle teammates piled up a 4-0 score against the San Francisco Seals. Koupal pitched a brilliant game, allowing only one run, two hits and one error in nine innings. The Seals' offense was led by Art 'Mike' Hunt, who hit a home run in the fourth inning. The Seals won the game, 4-0.

Mungo Blanks Cubs

CHICAGO, Sept. 3 (AP).—With the aid of Frenchy Bordagaray's bat, Van Mungo topped Bill Lee in a ten-inning pitchers' battle today, turning the Brooklyn Dodgers to a 1-0 victory over the Cubs. Mungo pitched a brilliant game, allowing only one run, two hits and one error in ten innings. The Dodgers' offense was led by Frenchy Bordagaray, who hit a home run in the seventh inning. The Dodgers won the game, 1-0.

Reds Capture Pair

CINCINNATI, Sept. 3 (AP).—The Reds ran their winning streak to seven games today, doubling their lead over Boston's Bees, 3 to 0 and 6 to 4. The Reds' offense was led by Jimmy Foxx, who hit a home run in the fourth inning. The Bees' offense was led by Jimmy Foxx, who hit a home run in the fourth inning. The Reds won the game, 6-4.

Pirates Divide Couple

PITTSBURGH, Sept. 3 (AP).—The Pirates and the Phillies divided a double-header today, the Pirates winning the first, 4 to 3, and the Pirates the second, 5 to 1. The Pirates' offense was led by Jimmy Foxx, who hit a home run in the fourth inning. The Phillies' offense was led by Jimmy Foxx, who hit a home run in the fourth inning. Al Garnot Meets Hopkins Tonight At Athletic Park

Al Garnot and Reggie Hopkins, two of Victoria's popular young wrestlers, will headline "Matchmaker" Louis Chilian's Victoria Athletic Club programme this evening at the Royal Athletic Park, commencing at 8:30. The boys are scheduled to go five five-minute rounds, and plenty of action should be the result. Bud Kirchin and Bill Steen will meet in another four five-minute mix, while Bing Quong and "Legs" Hay will do the same distance. George Lowe and Al Garnot are also booked to travel four five-minute rounds. Cal announced last night that plans are going ahead for the outdoor show to be held at the enclosure Monday evening.

WASHINGTON, Sept. 3 (AP).—A successful double steal gave the Senators the edge today in beating Detroit, 3 to 1. The double steal was made in the first inning when Washington scored the first run. The Senators' offense was led by Art 'Mike' Hunt, who hit a home run in the fourth inning. The Senators won the game, 3-1.

Missions Triumph

SAN FRANCISCO, Sept. 3 (AP).—San Francisco's Missions moved into a fourth-place tie with Oakland again today by defeating the Oaks, 10-6. It was the first win of the series for the locals, with Walter Beck pitching effective ball. A fifth-inning rally clinched the game, with five 'bailers' resulting from four hits, two walks and a squeeze play.

Opening game of a home-and-home series between senior boxla lacrosse squads representing Victoria and Duncan will take place tomorrow afternoon at the Royal Athletic Park at 2 o'clock. Tommy Rickinson, local manager, has lined up a strong side and is hoping to take the measure of the Up-Islanders in the initial tussle. The Victoria personnel will be as follows: J. Pasco, S. Rickinson, W. Pasco, R. Williams, B. Brown, W. Plater, C. Nicol, H. Sargison, R. Borde, L. Crossley, M. McClure, J. Taylor and C. Chapman.

Noted Canadian Diver Joins Pro Ranks

Al Phillips, Canadian and British Empire diving champion for years, will make his professional debut at the Canadian National Exhibition this year, when he will perform from a new sixty-five-foot tower erected at the Exhibition. Our picture shows him executing a "half-gainer" from a ten-foot springboard. Inset is a picture of Phillips, shown wearing a pair of Dutch clogs and two pairs of heavy woolen socks—the best scheme he has ever known to keep the feet warm if one has to spend a couple of hours on cold concrete floors around an indoor pool. Phillips competed at the Olympic Games twice, the British Empire Games twice, and toured Europe last year.

Field of Fifty-One Will Face Starter in Thirty-Six-Hole Qualifying Test for Provincial Crown at Shaughnessy Course — Uplands Golfer Entered—Leonard Is Defending

VANCOUVER, Sept. 3 (AP).—A field of fifty-one shotmakers will tee off over the tricky Shaughnessy layout here tomorrow in the qualifying round of the annual hunt for this province's premier golfing crown, the British Columbia amateur.

Stan Leonard, present title-holder, a little worried about his shots off the tee, will be there, as will Ken Black, winner of the \$5,000 jubilee tournament, and a host of others from different parts of the province. Officials late tonight were still awaiting the expected entry of three crack Victorians, Lawson, Morrison and Brynjolfson, to join the other

Islander, Harold Pretty, of the Uplands, who has already entered.

The field will play a thirty-six-hole qualifying round tomorrow, out of which will emerge thirty-two qualifiers to make the championship flight, which will be decided by three days of match play, eighteen holes per day.

REGISTERS DECISIVE VERDICT TO CAPTURE LIGHTWEIGHT CROWN

Former Sparring Partner of Veteran, Punches Way To Easy Decision Before Near Capacity Crowd Of 18,000—Mike Beltoise Scores Kayo Over Dave Crowley in Ninth Round

By ALAN GOULD
Associated Press Sports Writer.
MADISON SQUARE GARDEN
NEW YORK, Sept. 3 (AP).—Tony Canzone, battle-scarred little idol of metropolitanistic fans, lost the world lightweight championship tonight to his one-time sparring partner, Lou Ambers, of Hickman, N.Y., in a fifteen-round match, witnessed by a near capacity crowd of 18,000 fans in this sports palace.

Ambers, scaling 134, gained a decisive victory over the titleholder, who scaled 135. Reversing the outcome of their title fight a year ago, the light-fighting but aggressive "Herkimer Hurricane" carried the fight to Canzone from the outset, turned back two spirited rallies by the titleholder, and won by a wide margin on points in a match that produced no knockdowns and few fireworks.

Ambers was given the unanimous verdict by Referee Arthur Donovan, and the two judges, Charley Lynch and George Kelly.

WINS NINE ROUNDS
On the Associated Press score card, Ambers won nine rounds, including the last three. Canzone was credited with five, while one, the twelfth, was rated even.

Canzone, ring worn at the age of twenty-seven, was slow and unim-

men's tournament today, beat John Anderson, Hoboken, N.J., 6-3, 6-3, 6-2, and Dr. David O'Loughlin, Pittsburgh, 6-0, 6-3, 7-5, respectively.

SEEDS PLAYERS WIN
In the women's division, three other seeded players, Carolyn Babcock, Los Angeles; Mary Greel Harris, Kansas City; and Marjorie Gladman Van Ryn, Philadelphia, advanced. Miss Babcock defeated Mrs. Josephine Gray Beach, Cincinnati, 6-3, 6-3; Mrs. Harris defeated Catherine Sample, of Miami, 6-3, 6-4, and Mrs. Van Ryn routed Lydia Kayer, of Buffalo, 6-1, 6-0.

George Leclerc, of Ottawa, the only one of Canada's bidders for the men's championship called upon to unseat his racquet in the opening round, went down before the stylish play of Gardner Mulloy, of Miami.

The blond young French-Canadian continued every point stubbornly, but he had neither the shot nor class to match Mulloy and the American won, 6-2, 6-3, 6-2.

Laird Watt and Bob Murray, of Montreal, the other Canadian contestants, drew first round byes.

The standings (three leading hitters in each league) follow:

HOME RUN STANDINGS

Three League Cricket Fixtures Slated Tomorrow—Line-Ups Announced

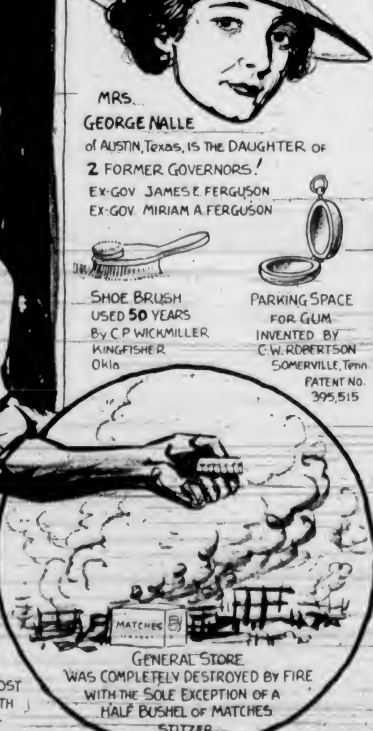

A trio of league matches are scheduled in the Victoria and District loop tomorrow afternoon. Another fixture, will round out the programme, but it is only a friendly tussle between Victoria "B" and the crew of the St. Atlantic City, which is in the Brydick top repairs. Victoria clashes with the Indians at University School in one of the league matches, while the visiting Seattle eleven is booked to meet Five C's at Beacon Hill ground at 2 o'clock, and the Albion journey to Duncan to meet Cockhan.

Line-ups follow:
Albion: N. Smith (captain), N. P. Pile, E. D. Freeman, S. Barley, G. Walton, A. Pritchard, A. Bartz, L. Gibbons, G. Swan, E. Pile and B. Pritchard.

Victoria: H. A. Goward (captain), C. Jones, F. Boscom, G. Austin, A. J. Darius, G. G. Grant, T. P. J. R. Appleton, H. A. Tonnain, G. J. Kinn and J. Norton.
Seattle: "B": J. F. Meredith (captain), V. Moore, R. Moore, P. Austin, E. Sellers, E. Gillespie, A. Gillespie, A. F. Mitchell, J. Swainson, N. Swainson and G. Smith.
Five C's: P. C. Payne (captain), Comley, J. Payne, Lee, G. Payne, Williams, F. Tyrrell, Whitehead, Nixon and Atwell.

For the second successive year, Mrs. Lela Hall, Strasburg, Mo., matron, and Joe Hiestand (innest), Hillsboro, O., farmer, won the North American women's and men's clay target trapshooting championship in competition at Vandalia, O. Mrs. Hall shattered 196 of 200 targets to capture the title. Hiestand broke 199 out of 200 to finish in a four-way tie, and then proceeded to blast seventy-five straight in shoot-off.

U.S. GOLFERS SWAMP BRITAIN IN CUP SERIES, 9-0

Americans Prove Too Strong for Invading Squad

Shutout Victory Is First Registered in Fourteen Years of International Competition — Goodman, Campbell, Smith, Fischer, Yates, White Score Easy Victories — Dunlap in Draw

CLEMENTON, N.J., Sept. 3 (AP). — Great Britain's hopes of winning the Walker Cup, the huge silver golf trophy that never has left these shores, lay buried among the pines and scrub oaks of Pine Valley tonight.

Answering the challenge of the youngest team ever to represent the British Isles in the international amateur team match series, the Americans proved too strong for the invaders, winning 9-0, the first time since the matches opened fourteen years ago.

All the visiting forces got out of the wreckage were two halved foursomes and a halved singles match, gained by Harry Bentley, twenty-nine-year-old Englishman, playing George T. Dunlap, Jr., of New York, former national amateur champion. Halved matches go down in the record books as "0-0" contests.

GREAT FINISH — The greatest finish was turned in by Scotty Campbell, the Seattle bomber. Scotty, two up at the twenty-seventh, scored the final five holes in two under par to polish off a stubborn foe, Jack McLean, 5 and 4.

Johnny Goodman took the measure of the British amateur champion, Hector Thomson, 3 and 2, leading all the way.

It was a bitter return for the British, who had eliminated their old Walker Cup stars from the team and nominated younger players in a serious attempt to win.

Reynolds Smith, sharpshooting Texan, led the winning assault for the second day of the match. In the "reynolds" yesterday, Smith teamed with a fellow Texan, Ed White, to whip their British foes 8 and 7 for the most lopsided margin in the round. Today he crushed Alec Hill, London stockbroker, 11 and 9.

George Dunlap, victimized by weird iron shots, had a close escape. He reached the twenty-seventh hole one down to the veteran English player, Harry Bentley. Bentley even had George one down and two to play, but nervously three-putted the thirty-fifth hole to lose it and allow Dunlap to get a halved match and give the United States its shutout victory.

GOLF FACTS NOT THEORIES

By ALEX MORRISON

Some players have a habit of hitting their drives or playing two or three holes of a round before agreeing about handicaps. Arrangements made before starting the game are seldom satisfactory.

I don't mean by this that all matches arranged before starting are bound to be fair, but there is something about having handicaps set before the first shot is played. It has a decided influence on every player's game. It may be only psychological, but it means strokes one way or another.

If you want to make up some kind of foursome, whether it is for "in or a thousand dollars, have the patience and take the time to set the basis of play before the first shot is hit.

There is a great difference of opinion as to what handicap should be given, arrange to play the first nine according to the maximum requested and then adjust for the second nine.

PLAYED FINE GOLF — Johnny Fischer, of Cincinnati, on the sidelines during the foursome play that America won 2-0, shot the finest golf of the day to another Cecil Ewing, long-hitting Irishman, 8 and 7. Over the twenty-nine holes he traveled, Johnny was but three over par — a real achievement at Pine Valley.

Charley Yates also was only three over par, but was aided with a few giveaways by his faltering foe, J. Morton Dykes, Scottish putting star, whom he beat 8 and 7.

Ed White gave a fine iron display as he swamped the eighteen-year-old English schoolboy hope, John Langley, 6 and 5.

A series of traps that caught his opponent's ball along the thirty-fifth fairway enabled Walter Bentley to defeat Gordon Peters, young Scot, 4 up. Peters, three down and nine to go, shot sub-par golf over the final stretch and caught the American on the thirty-fourth, where Walter became tangled with deep heavy rough, only to hit three, successive shots into traps along the semi-final hole to lose it and the match.

ORANGERY IN FINE VICTORY AT HASTINGS

Favorite Wins Handicap Event by a Length and a Half in Vancouver

VANCOUVER, Sept. 3 (AP). — Orangery, consistent Greencroft Stable winner, added the \$500 General Manager's Handicap at Hastings Park today to her list of recent British Columbia victories. Playing On was second, a length and a half back, Royal Flint took the show position.

Going to the post the favorite, Orangery did not disappoint her backers, taking the lead at the three-quarter mark from Teardrop, who whined and dismounted Joe Key Sport. She returned \$4.90, \$3.30 and \$2.50 in the pari-mutuels.

Favorites predominated in five of the other six races and prices were low, the highest being \$13.15 for a straight ticket on C. W. West's Enlo, winner of the sixth race over the mile and one-sixteenth route. Even the daily double and one-two bets suffered in the mutuels, the former being one of the smallest of this season. Brilliant King and Peach Stone, coupled in the double, returned \$9.15. The one-two was worth but \$8.50.

ACCUSED TO ELECT IN COUNTY COURT
A sitting of the County Court will be held this morning when Reginald Wood, charged with having stolen goods in his possession, will be brought before the court for election. The case is one from the Provincial police court, where the accused was committed for trial after his arrest in the vicinity of Seale.
Judge A. M. Harper, of Vancouver, who has been holding court in Duncan, during the past two days, will be in Victoria this morning to preside at the hearing.
Judge J. C. McIntosh is engaged on a trial of a criminal character in Vancouver and will not return to Victoria this week.

NO MORE EARLY MORNING GROUCHES
Thanks to Eno for dispelling early morning groiches and blues from our home. A glass of Eno first thing every morning was just what both my husband and I needed to give us some pep and sparkle instead of half-awake irritability caused by a sluggish and lazy digestive system. Eno is now an established member of our household.

Call on Science To Solve West's Drought Problem

Government Departments Plan Attack on Scourge That Has Withered Areas of Crops Year After Year on Prairies—Plagued Farmers See Crops Ruined for Eighth Year

OTTAWA, Sept. 3 (C.P.)—As Canada's Prairie population surveys desolation wrought by one of the worst droughts in history, science strives to ameliorate for all future time conditions in a vast semi-arid area which some hold was never suited to support a permanent population.
In almost 30,000,000 acres of semi-arid country, known to agricultural technologists as "Palliser's triangle" and part of that was once called the "Great American Desert," some farmers have seen their crops wither for the eighth successive year and the soil of their land, baked by relentless sunshine, drift on hot winds like snow in a winter storm.

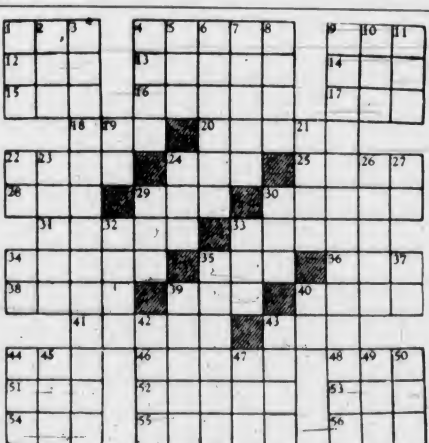

LITTLE TO REMEMBER
Year after year, drought has plagued them almost into forgetfulness of former fruitful seasons that made life pleasant to recurring droughts that have beset the triangle for at least a century. Some say a pastoral people, herding cattle over the ranges that were there before the land was put to the plough, might have fared better, others that scientific husbanding of the soil still will save the country for its inhabitants.

The triangle, really an irregular pentagon, was placed on the map between 1857 and 1860, by Captain John Palliser, explorer working under instruction of the British Colonial Office. The base of the triangle extends along the international boundary from Turtle Mountain, about sixty miles east of the Manitoba-Saskatchewan boundary, to the foot of the Rockies. From the Rockies it extends north-northwest to Old Bow Fort, about fifty miles west of Calgary, north-northeast to a point near Olds, Alta., due east to a point a little south of Saskatoon and from there southeast to Turtle Mountain.

Its climate is characterized by low rainfall, its natural vegetation by short prairie grass.
EXPERIMENT OF 1870
Purchase from the Hudson's Bay Company of the whole territory now included in Manitoba, Saskatchewan and Alberta launched an experiment in 1870 of settling an agricultural population in an area of about 2,000,000 square miles which formerly had supported a roving Indian population and the fur trade with a little subsidiary agriculture.
The census of 1886, last before purchase of the territory by Canada, showed that huge area supporting a population of 60,000 persons, other than Indians, and cultivation of less than 9,000 acres of land. The Indian population, living off the wild prairie, was less than 50,000.

The buffalo roamed the country then in huge herds, migrating across the plains to new pastures when the grass in one area failed.

SEEK MORE TIME IN FORECLOSURE

Solicitors for Panama Pacific Grain Terminal, Limited, Write To City
Pointing out the city would gain nothing by foreclosure proceedings against Panama Pacific Grain Terminal, Limited, except possible loss of the elevator at Ogden Point, a letter requesting a delay in contemplated action was received at the City Hall yesterday from Tait & Marchant.
The letter stated the grain organization was prepared to co-operate with the city to the best of its ability, both in carrying out expense of the elevator until some disposition of it could be made and in assisting to open up channels for use of the elevator.
Tait & Marchant also stated the organization was prepared to accept any offer or other dealing which the city might be able to make with the elevator. It was also prepared to undertake to continue to pay the caretaker water and power and such necessary carrying charges.
